Information sheet for the placing of independent carers

as of 1.1.2012

Our strength

Placing of independent carers for comprehensive care: from 4 hrs to 24 hrs per day (morning, afternoon, day, night, 24 hrs, 7 days a week). Short-term assignments also possible (e.g. holiday care). Top care quality can be ensured by close cooperation with the local carers' association.

Costs for the care

Remuneration is negotiated by the client and the carer. Average rates charged: approx. EUR 11 per hour, approx. EUR 80 per day, approx. EUR 80 per night, from EUR 70 to EUR 120 for 24 hrs for a client, incl. social insurance plus travel expenses.

Activities of the carers

Home services, support in organising the day-to-day life, contribution to society, in individual cases certain care or medical activities (when delegated).

Placing period

One week placing the order and starting the assignment, deviation in special cases.

What we do for clients:

- a) Basic package: Information on the personal care system, Recommendation of suitable personal carers, Service in the event of orders (replacement carer, various clarifications), Liability insurance
- b) Enhanced service on request: Home visits with: basic information, six-monthly visits, clarification of the formalities, (staff placement contracts, registration, re-registration, 24 hr support)

Placing costs

Basic package per support situation: for 24 hr support EUR 260; for individual 24 hr or hourly support (e.g. holiday representation) EUR 130 Enhanced service: additional to the basic package EUR 260 annually; i.e. in year 1 EUR 520, then EUR 260 Reduced placing costs if support is no longer required after placing the order.

Further contacts on site

Clarification of requirements as well as comprehensive advice for the entire care and support setting can be obtained on site from: Carers' Association, Mohi, Social Welfare Office, Regional Case Manager.
